

DOS AND DON'TS

THANK YOU FOR YOUR PARTICIPATION IN OUR TRASH COLLECTION PROGRAM!

The worms are hungry! Worms are “vegetarians”, though, and can only be fed certain food waste items. The following items can be placed in the buckets provided for collection:

All vegetables

All fruits

Breads, dough, bakery items, pasta, grains

Food-soiled paper, paper bags, paper towels, paper napkins and cardboard boxes

**Coffee grounds and tea with filters
(please remove staples from teabags)**

**Processed foods
(pizza, cereal, chips, crackers, cookies, cakes, cooked meat, plate scrapings)**

If you're interested in recycling any of the following products, please discuss with us beforehand:

**Dairy products
(milk, cheese, yogurt)**

Eggs and egg shells

Consumable liquids

Seafood

If the following items are found in your collection bucket, you'll be reminded that they're not allowed. Should they continue to show up in your bucket, *contamination fees will incur.*

**NO fats, oils, grease or non-consumable liquids
(vegetable oil or lard)**

**NO plastic of any kind
(bags, bottles serveware rubber bands or twist-ties)**

**NO raw meat
(beef, poultry, pork)**

NO metal, glass or other non-food items
